LEWISTOWN, PENNSYLVANIA

# Memorabilia

*This is our book of memories.*

*What to remember—what to forget?*

# FOREWORD

The earnest desire of the Class of 1945 is that this, the 1945 Lore, may through its pages give a true reflection of life and of activities at L. H. S. We have selected "Memories" as our theme and hope that we have succeeded in recalling the scenes and faces associated with our high school career. When our memories grow dim, may it serve as a reminder of the "good old school days" in Lewistown High School.

"Friends depart, and memory takes them  
To her caverns, pure and deep."

SHIRLEY HOUSER  
VIVIAN McCORMICK

*Memory is the safe keeping of a lovely thing.*

*Longed for, remembered, teacher and friend.*

# DEDICATION

The Lore Staff and The Class of Nineteen Forty-five respectfully dedicate this Lore to Miss Mary Frankenberry.

She was our admired teacher and experienced leader throughout our three years in Junior High School and has been our class advisor and staunch friend since our entry into Senior High School. She has graciously co-operated in everything we have undertaken. Through her untiring effort she has won our sincerest respect and admiration.

In this dedication we attempt to thank her for her willing and unwavering support of our class.

DAVID CONNER  
DICK GARRETT

*That memory is the book of judgment, I can well believe.*

## BOARD OF EDUCATION

One of the purposes of a yearbook is to fashion a record, pictorial and written, so that in the years to come easy reference may be made to a parade of the past. It may be a task to collect all the elements necessary to produce another memorable volume of "The Lore"; the labor entailed will return sweet riches in the future.

Memory can only glean, but never wholly renew school years. Memories will bring joy faint as the delicate perfumes of the springtime flowers, faded and dried, of the early years that will be gone.

Who could forget the years when the Class of '45 came, and went away to fill important places in war and in peace? Some have gone early. Only memory will occupy the places they filled and the things they did here.

# SENIOR CLASS HISTORY

Now, looking back over the years, we see that our three years of Senior High School have passed more quickly than we expected. It seems only yesterday that we entered here as Sophomores. Although many activities and studies were different, we soon accustomed ourselves to them. At our first Sophomore class meeting the following officers were in charge: Jay Shenk, president; Jeanne Billman, vice-president; Barbara Jo Heck, secretary; Robert Steltzer, treasurer. The highlight of the Sophomore year was our class party held in December.

Our Junior year was very successful with these students presiding over our class: Jeanne Billman, acting president; Delores Crago, secretary; Jay Shenk, treasurer. During this year we received our class rings and brightened the campus with our class hats, which made known our class colors, green and white. We devoted our second semester to planning the long-awaited Junior Prom, which was looked forward to by every Junior.

We opened our Senior year by electing the following officers: Richard Basom, president; Lois Boring, vice-president; Jeanne Billman, secretary; Douglas Shearer, treasurer. The Student Council and Lore Staff took over their respective duties, soon after the beginning of the

year. Throughout the year our class was very co-operative in all sports and in the various activities of the school. The first semester saw the exchanging of name cards, and the receiving of the class pictures. Our class was the first in the history of our Alma Mater to have the class song written before the close of the first semester. Our class play, "All Aboard", was chosen with careful consideration and was looked forward to with great anticipation. In the conclusion of the successful year, the first event was the Junior Prom. It was very successful, and we take this space to thank the Class of '46. The last great affairs were the Dinner Dance and Commencement. These were to the Class of '45 as the Junior Prom was to the Class of '46. The Class of '45 will remember the Dinner Dance, and there will never be another one like it. We now hopefully awaited commencement which would end one of the happiest years of our lives. Although our plans were often changed on account of wartime conditions, we did not complain. We also participated in many activities to help the war effort. Now, we want to say, "Thank You" for all that you have done for us, dear old L. H. S.

LOIS AND DICK

*Happily I will remember.*

(Tune: Always)

Times will not be blue, always  
When we think of you, always  
Dear old L. H. S., we shall now confess  
We'll remember you, always, always.  
We'll revere your name, always  
With pride we shall recall, always  
Dances, plays, and games  
That bring our school her fame  
Now, L. H. S., we bid farewell!

A large, detailed line drawing of a school band. In the foreground, a boy plays a tuba. Behind him, another boy plays a euphonium. To the left, a boy plays a baritone horn. Further back, a boy plays a trumpet. A boy in the background is playing a drum. The band is positioned on the left side of the page, with a large, shaded area behind them that resembles a giant musical note. The entire illustration is framed by a wavy line that starts at the top and ends at the bottom, creating a sense of a stage or a performance area.

# HIGH NOTES

Memories that do often lie too deep for tears:

"Best wishes, and good luck on everything you do. To a friend and a swell guy"

DERYL AMMERMAN

"Tex" Vocational  
Banker 2; Student Council 1.  
Will: The machine shop to Mart.  
Weakness: Women.  
Prophecy: Someday he will put as much effort in English as he does on his hair.

Prophecy: Will always throw a mean basketball.

*We, the members of the Class of 1945,  
dedicate this page to those members of our  
class who are entering or have already  
entered the Armed Forces of our country.*

LOW LIFE

*Therefore, of all the pictures that hang on memory's wall.*

# 1946

As we, the class of 1946, entered the Junior Department of our school, we had to adjust ourselves to a larger building and a different environment. In our ninth year we became the upper classmen in our building. When our graduation from the Junior Department was over, we felt that we were prepared for anything that might come, so we said good-bye to Lewistown Junior High, but many happy moments still take us back.

We were now entering one of our most important years in our class history, our first year in the Senior Department. At the beginning of the year we elected the following class officers: President, Jack Miller; Vice-President, Geneva Gross; and Secretary, Zola Robinson. We were also planning and hoping for one of the most successful Sophomore Parties that was ever given, and we surely were not disappointed. We were now another step higher in the ladder of success.

Next we were rated as jolly Juniors, and we all were firm and established in our school life. New officers were elected: President, Marvin Peters; Vice-President, Hope Wagner; Secretary, Zola Robinson; and Treasurer, Jack Miller. We also selected class colors, which were red and white, and hats and pennants.

We are now looking forward to one of the most colorful and enjoyable Junior Proms ever given in our school. And now, Class of '45, we wish you "Godspeed and bon voyage".

MARVIN PETERS,  
President

*The one of the dear old school house seemeth the best of all.*

*And memory flows with the tide.*

7

In September of 1944, the Class of 1947 entered the Senior Department of Lewistown High School.

With a fine record to look back upon, including our record breaking Freshman operetta, "Daniel Boone", and our operetta party which was the first of its kind, and eagerly awaiting our last three years of high school, we started off with a bang. We elected the following as our class officers: President, Albert Sanchez; Vice-President, Marjorie Graham; Secretary, Winifred Peck; Treasurer, John Detwyler.

Our class advisers to whom we owe much are Miss Cressman, Mr. Steinberger, and Mr. Hufford.

With our Sophomore year half way over, we feel that we have had a good start as loyal students of L. H. S. Many of our boys have participated in football, basketball, wrestling, soccer, and other sports and activities throughout the year. We have had a large representation in the A Cappella Choir and orchestra, and many of our class have also been active in Tri-Hi-Y's, Hi-Y's, and assembly programs.

The main event of our Sophomore year will be our class party which we are all anticipating. We know that it will be a great success.

And now we go on to our last two years in high school hoping to enjoy equally as well our responsibilities and pleasures.

ALBERT AND MARJORIE

*"Buck" Thomas*

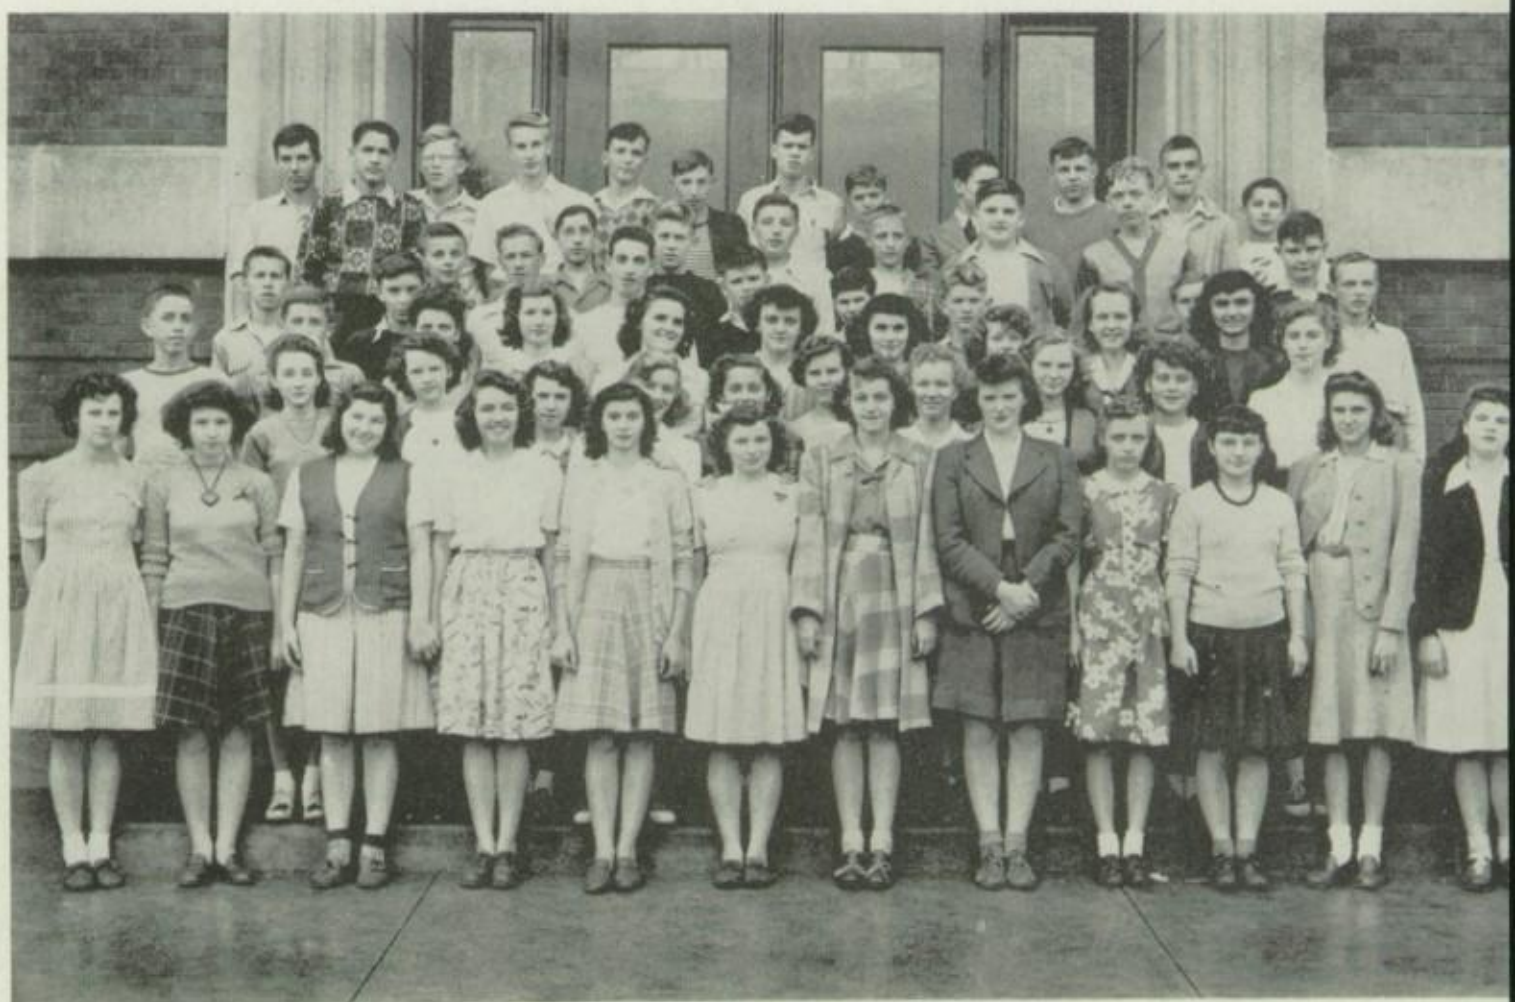

*Ah, me, what tricks does memory play?*

We the Class of 1948 entered Lewistown High School as seventh graders, September 1942. We were 250 strong.

During our first year in the Junior Department of the high school, we didn't participate in many activities, but we were well contented learning the rules and regulations. A few of the students of the Class of 1948 were in the W. C. T. U. Contest, and Virginia Lonsdale had a leading part in the play entitled "The White Phantom" given by the Junior Department.

In the eighth grade we participated in more of the school activities. We went to our first dance for which the gymnasium was decorated. Some of the students of the eighth grade helped plan and make the decorations.

On the evening of entertainment a play entitled "Thank You, Doctor" was given. Lee Snook, Robert Wilson, and Carl Barger were the eighth grade students in it. It was directed by Miss Culbertson. Also, on that evening many of the students of the Class of 1948 were in the gym demonstration.

During our eighth grade year we had our first class meeting at which our new officers presided. These same officers which were elected for the term 1943-44 were re-elected for 1944-45. They are as follows: William Heckert, President; Phyllis Carter, Vice President; Mary Jane Esh, Secretary; Samuel Boova, Treasurer.

In the ninth grade there were many changes in the school schedule. One of the changes most noticed was the thirty minute lunch period, which made the school day forty-five minutes shorter. It was during this year that the Freshman

boys were entitled to participate in varsity sports. The J.V. football team was made up largely of Freshmen. Also many of the Freshmen boys were participating in wrestling and J.V. basketball.

We have not as yet had an operetta, but we are looking forward to our Freshman party.

# 1949

The Class of 1949 has completed another year filled with hard work and plenty of pleasures and is ready to take its place as Freshmen and to uphold their standards.

During our two years in the Junior Department our class participated in the various activities of the school. We have been represented in cheer leading, student council, orchestra, Tri-Hi-Y, and the Hi-Y clubs. As seventh graders we were proud of the fact that a boy from our class, Edward Bunker, won first prize in the W. C. T. U. declamation contest.

In the fall of 1943 we elected our class officers for the year 1943-44 as follows: President, Eugene Kline; Vice President, Betty Bigelow; Secretary, Wanda Wise; Treasurer, Jack Patton. This year we elected our 1944-45 class officers who are: President, James Houser; Vice President, Betty Bigelow; Secretary, Wanda Wise; Treasurer, Duane Brode.

Credit for our successful years is due not only to the officers alone but to every member of our class and our worthy advisors.

Since this school year has come to an end, the class bids the Freshmen goodbye, anxious to take their places and to carry on their fine work.

MARY EVELYN FOUCART

*I have had companions.*

*And the memory I started.*

# 1950

We started out our High School career in September, 1944. Getting acquainted with other students and new teachers and finding our way around the halls was very interesting and at times a little puzzling; but, after a few weeks here, things began to run smoothly and easily.

Some of us have been entering various activities which we enjoy very much, for they are entirely new to us as seventh graders. For example, there are football, basketball, wrestling, the Junior High Orchestra, and the Junior High Band that was just organized this year under the supervision of Mr. Koch. We enjoy very much the Junior High dances that occur four times a year. We participated not only in the pleasures and enjoyments that our school offered us, but we responded well to our duties and obligations.

The seventh grade has participated very well in all the drives made for the war effort. We led the Junior Department in the Sixth War Loan Drive. These pupils responded very well. Those attaining outstanding ranks were: General Ann Goldstein and Susan Robinson, Brigadier General Fred Wian and Terry Snider; Lieutenant Colonel Jean Diehl and Evelyn Wagner; Major Diane Guyler, June Peterson, and Dawn Keiser; Second Lieutenant Sara Goss.

We elected our class officers in January, 1945, and they are as follows: President, Terry Snider; Vice President, Barbara Graham; Secretary, Jeanette Jones; and Treasurer, Paul Goss.

We are looking forward to our next two years in the Junior Department, and we hope that we will enjoy them as much as this first year.

## Wrestling Team Support

For some reason, student interest slumps when it comes to wrestling and our matmen fail to get the support they deserve from their school-mates. Attendance at the home meets has been fair but could increase greatly if the students would take an interest in the sport. Wrestling isn't as gruesome as you think. Why not give it a try and attend the next home meet and back up our wrestlers?

## *FUTURE FARMERS OF AMERICA*

The past year we boys of the Ag Class have been busy with our various activities. We have husked corn, organized a Swine Breeders Association, gathered milk weed pods, held a successful Ag Show and Exhibit in the High School Library, held our first Parent and Son banquet, and started an annual F. F. A. Activity Contest sponsored by the Fort Granville Grange.

Besides the various activities we are now in

our new shop in which we have the necessary facilities to do all types of farm repair work. A few of us went on a camping trip to Camp Potatoe in Potter County and on many other educational tours. We are now busy sponsoring farm machinery and Poultry Production classes, selling seeds, and practicing our motto: "Learning By Doing."

RICHARD FISHER  
RICHARD SAXTON

## NATIONAL FORENSIC LEAGUE

On account of the restrictions that war has imposed, the activities of the National Forensic League have been retarded. There have been few interscholastic debates or speaking contests during this school year.

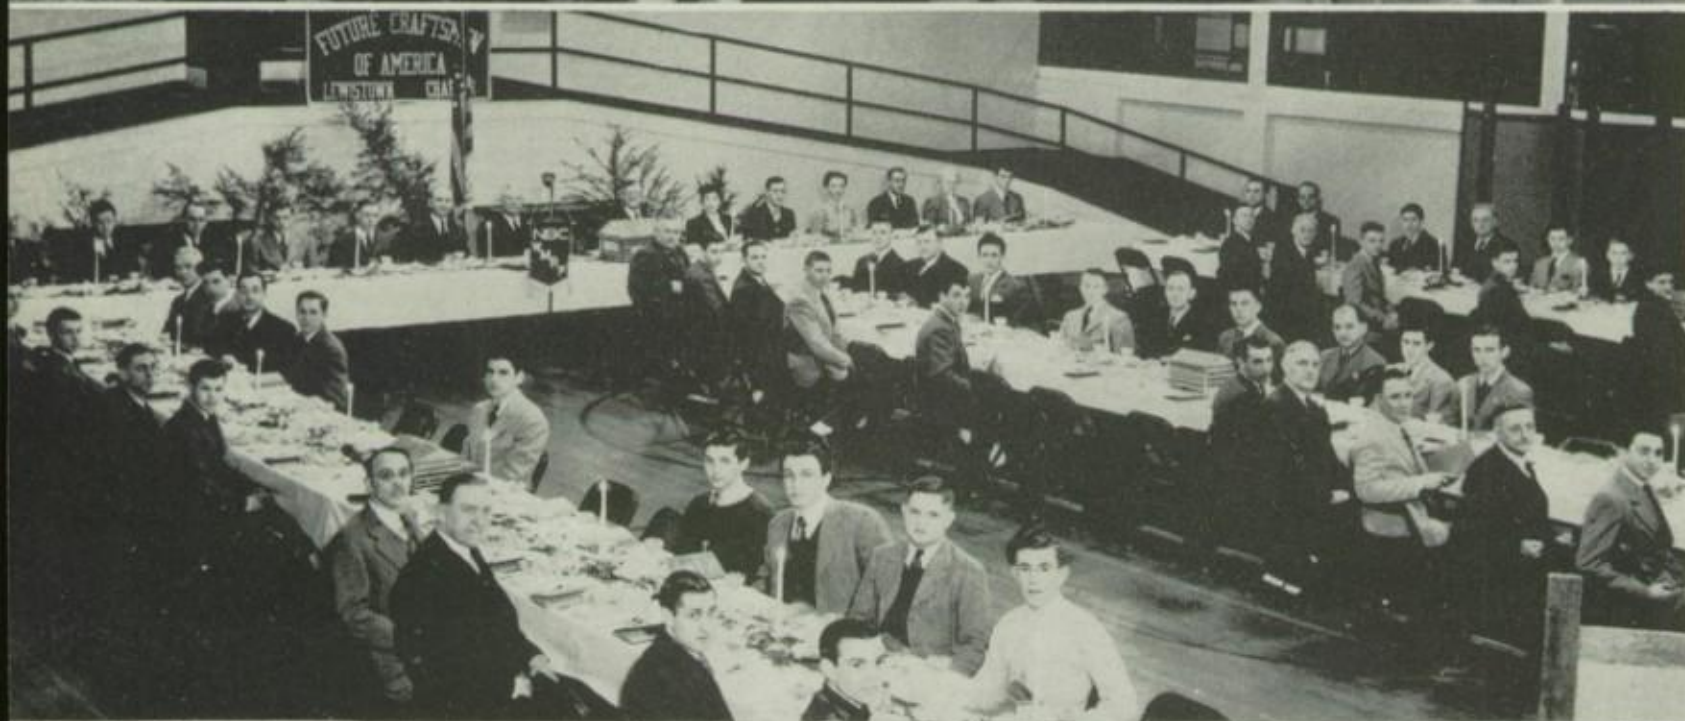

The members of this organization are working and planning for the debates and numerous contests to be held in Newark, N. J. Perhaps debates can be arranged to be presented between State College High School and Lewistown High School.

This year the members have filled the place of debating by giving speeches and declamations before the various clubs, our school assembly, and other organizations.

LOIS YOUNG

*There are spirits brave.*

# FUTURE CRAFTSMEN OF AMERICA

*I remember, I remember.*

The Future Craftsmen Club of America has a membership of nearly fifty vocational students in the eleventh and twelfth grades. For the past few years, this organization has sponsored the Poppy Drive for Disabled Veterans. This year's drive was a complete success.

The club held its second annual banquet February 2, in the cafeteria of the Senior Department. Fifty prominent industrialists and guests were present. Dr. Paul Cressman, founder of the F. C. A., was the speaker of the evening.

## TRI-HI-Y

Because of the large number of girls wishing to enter the Tri-Hi-Y Club, two groups were formed, the Alpha and the Beta. Both clubs participated in practically the same activities. As an aid to the war effort they finished overseas bags for service men and planned service meetings for the remainder of the season. The girls served at banquets held at the Y. M. C. A. for

the benefit of community affairs. During the Week of Prayer the clubs attended the service held at the First Methodist Church. Several dances and parties have been held by the clubs on different holidays.

All in all, I would say the Tri-Hi-Y clubs have had a very successful season.

## GLEE

The Glee Clubs, under the able direction of Miss Mildred Wentz, have served our school successfully this year. Sophomores, Juniors, and Seniors, alike, have profited by participation in these clubs.

The clubs appeared before our assemblies several times and before other various organizations of the town. The Senior girls sang anthems from different foreign countries for the program on Armistice Day; the newly organized A Cappella Choir presented a program of Christmas carols for the Christmas assembly, and also sang for the Fellowship Meeting held in February; the Junior girls sang

*Music is the gladness of the world.*

## CLUBS

the traditional Easter anthem for the Easter assembly; and the Sophomore girls sang several numbers on one of the spring programs. The Boys' Glee Club, composed of all three classes, sang for one of the December assembly programs and later on for the Band Concert held in March.

Each week the different clubs met for practice in the Music Room. These weekly meetings were something to look forward to and to remember. They will always be in our memories.

PATSY HARPSTER

# THE ARTS

*Thy gift characterized with lasting memory.*

## VICTORY CORPS

This year, as in the past few years during the war, the Victory Corps has had the patriotic task of selling war bonds and stamps in the homerooms and participating in the tin can salvage collection.

The tin can salvage collection was carried on during the months of November and December. The High School alone collected 1,075 pounds while all the schools together collected 7,825 pounds, or almost four tons.

The Victory Corps was also very active during the Sixth War Loan Campaign. The goal for the E, F, and G Bonds \$125,000 was easily reached with the High School selling \$67,143.25 of it. The entire Lewistown Schools reached \$185,899.75 or 148.7 per cent of the actual goal.

Wednesday morning, which is now called Victory Day, has been set aside as the day to sell stamps and bonds in the homerooms. Although many of us in our every day lives do not think about the Victory Corps extensively, without this organization there would be an abundance of stamps unsold.

Although at first many of us thought we were not doing anything to help the War Effort, now that we have our own Victory Corps, we, too, know that we are doing our part to bring this war to a speedier end and to secure the future happiness for ourselves and our posterity.

BARNEY KEHL.....	Don Hartsock
	A Sailor
BULL WORKS.....	Jack Snook
	Another Sailor

On March 6 and 7 the class of 1945 successfully presented its play "All Aboard."

The action of this delightful comedy takes place on the S. S. Florida. Here we meet two college boys, Billy Brady and Johnny Thomas. These fellows were pals in college but were rivals in their love for Beatrice Sloan. Billy was, as you could readily see, the favorite.

The tragedy of the play is based on the loss of Billy's four front teeth which were removed by an opponent's foot in a football game. So Billy is forced to wear false ones. Being extremely sensitive about it, he tells no one but his sister, Dorothy.

In a collision with the Captain he loses his "set" and can't open his mouth to talk without revealing his "horrible" secret. His rival, Johnny, takes advantage of his predicament and makes love to Beatrice.

As a last resort Billy steals all of the "sets" on board in an effort to replace his own false ones, but only succeeds in starting an uproar among the passengers.

During the confusion two sailors find a set of teeth on deck, and they give them to the captain to auction off to the highest bidder.

Billy bids all of the money he has, but is topped by Johnny's bid of \$900.

Much to Billy's surprise Johnny walks up to him and gives him the set of false teeth because he has learned the truth of Billy's great sacrifice on the football field.

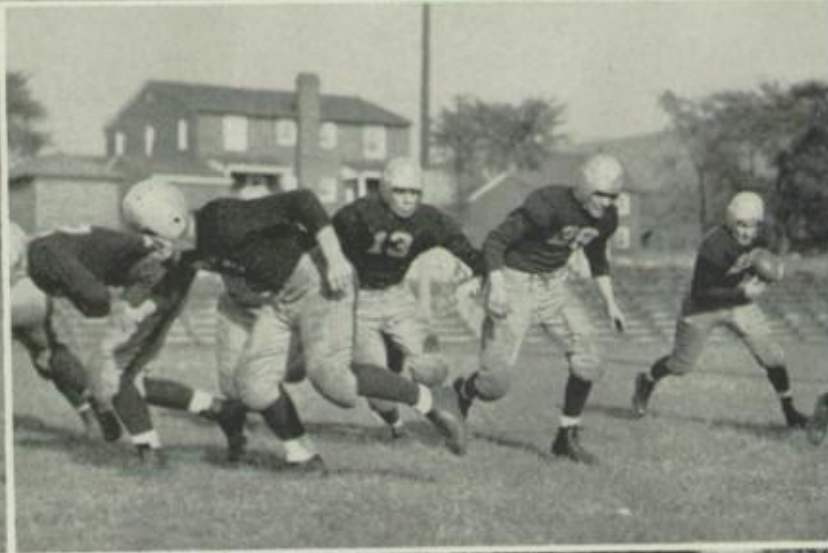

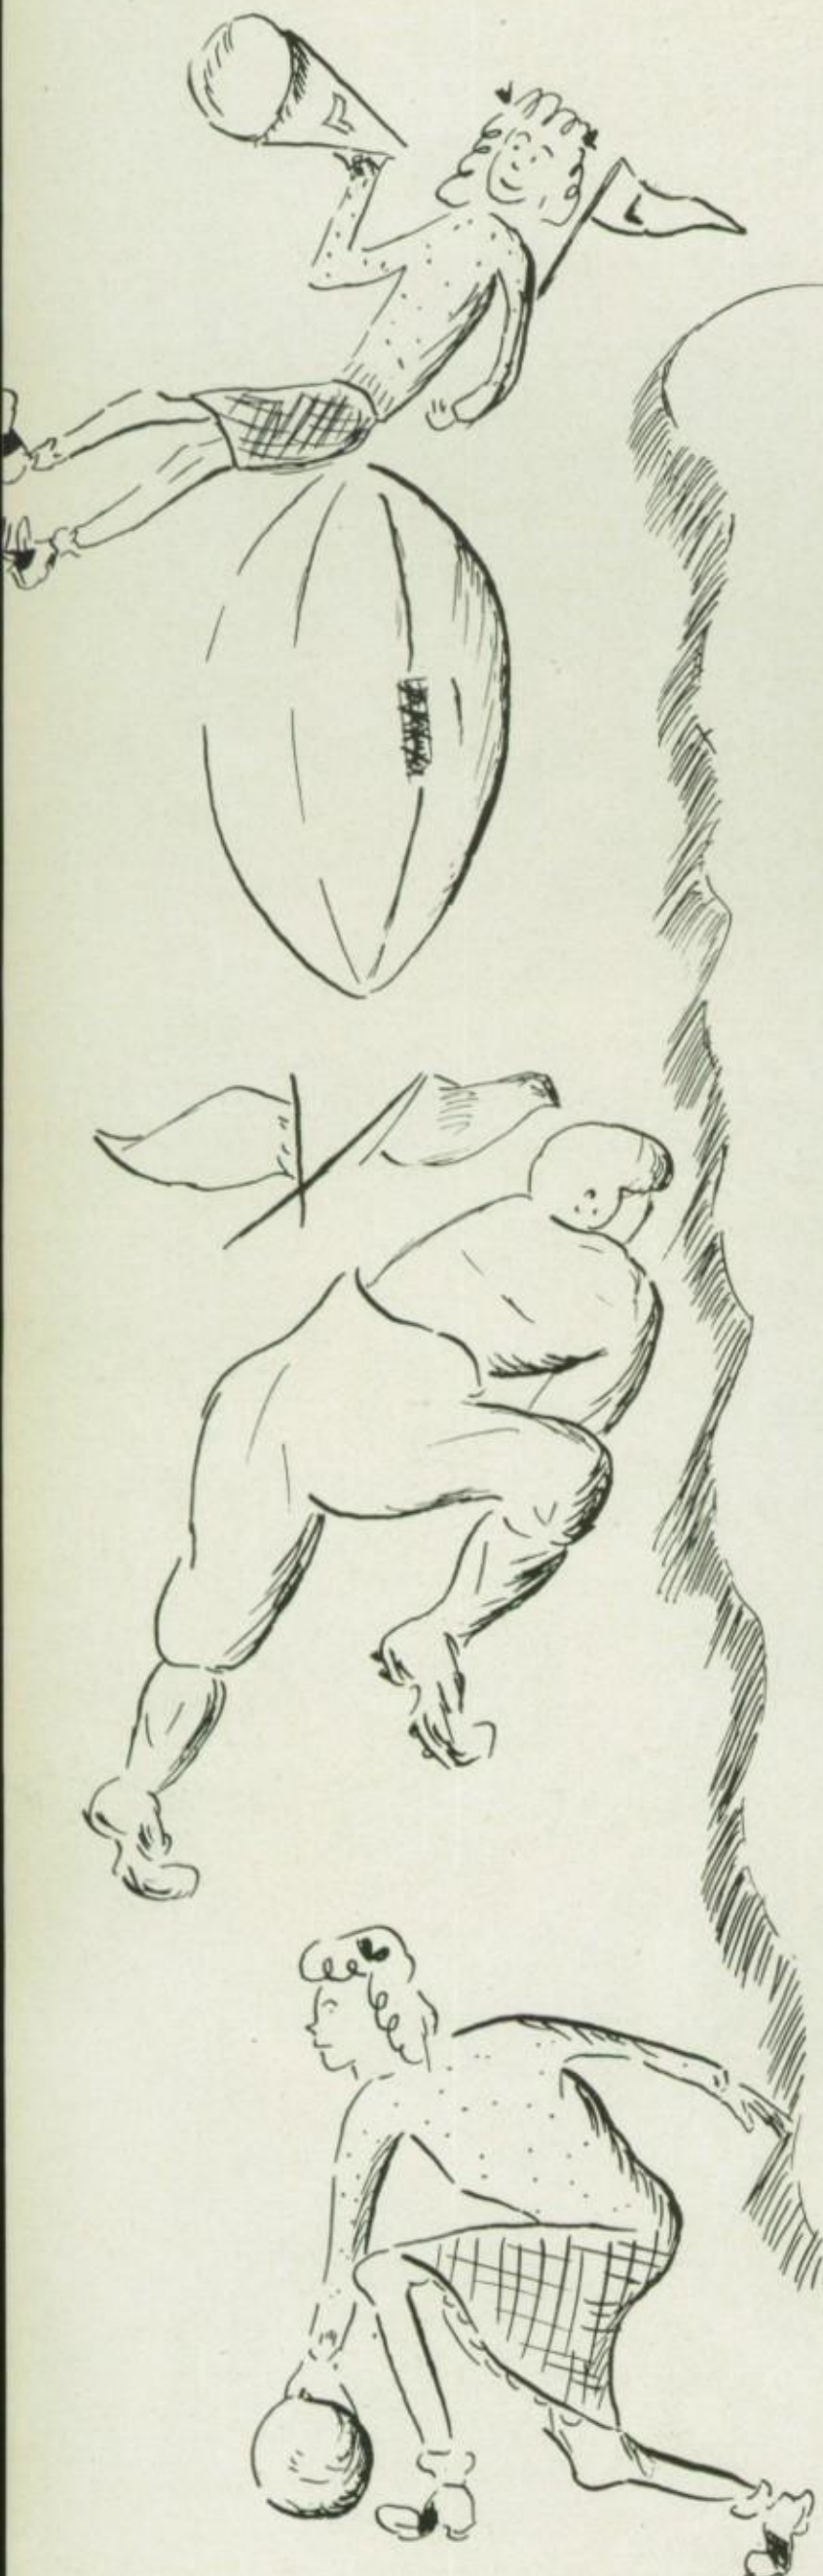

Beatrice also learns the truth and after receiving Billy's forgiveness, proudly accepts his proposal. Johnny anchors his love to Dorothy and from then on "Cupid" pilots the ship.
